

MODERN SOLUTIONS FOR THE AGING SPINE

Medical Education Course & Hands-On Lab

November 11, 2017 | Atlanta, GA

Course Chair

Ashish K. Sahai, MD, FAAOS

Description

Industry-renowned surgeons lead this one-day course with panel debates and case discussions over the surgical techniques and treatment options for spinal degenerative disorders of the aging population.

Open to all orthopedic and neurological surgeons, the course will focus on cervical and thoracolumbar revision surgeries.
